DARK CONSPIRACY SECOND EDITION

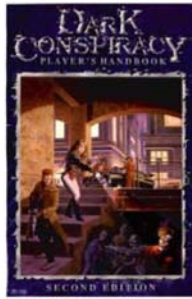

Dark Conspiracy, originally published by GDW Game Designers' Workshop, reappeared in a second edition published by DPI Dynasty Presentations. **Dark Conspiracy 2nd Edition** transports players to a dark near future as ancient horrors stalk the Earth. **DC2's** adventure setting centers on New Centennial City as chronicled in the **Sin City Series** Volumes 1, 2, and 3. Interestingly, DC2 rules were available as a **Players Handbook** and a **Referee's Guide**, and each was published in a **Basic** and a **Masters Edition**.
