

The Journal of the Travellers' Aid Society

Beginning in 1979, GDW published a quarterly magazine dedicated to the **Traveller** game system. During its life, **JTAS** won the **Origins Award for Best Role-Playing Magazine** and expanded the universe of **Traveller**. At issue number 25, **JTAS** transformed into **Challenge Magazine** and continued to cover **Traveller** while adding coverage for other role-playing systems. Support for **Classic Traveller** continued through issue 36.
