

15mm Miniatures for

TRAVELLER

by

MARTIAN METALS

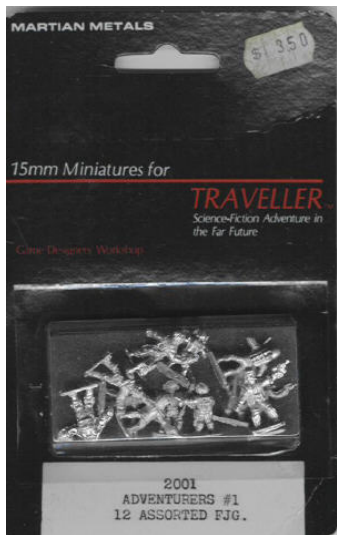

Master modeller Forest Brown established **Martian Metals** in 1976 to produce military miniatures for the US Army, but soon branched out to commercial production with licensed figures for games like **Traveller**, **Runequest**, **Ogre**, **The Fantasy Trip**, **Combots**, and **Gravball**, plus his proprietary line of award-winning fantasy **Dragonslayers** in 15mm and 25mm.

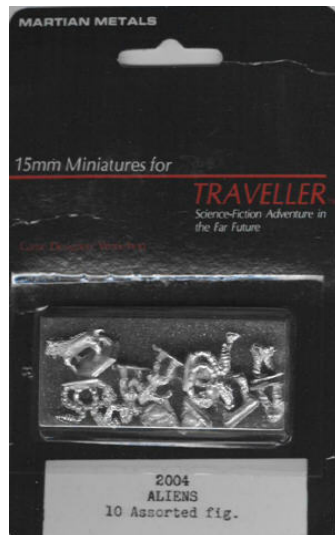

Dragonslayers & Travellers won **Best Miniatures in 1981** from the Academy of Adventure Gaming Arts and Design.
